*Picture Day is Coming!*

## YOUR SCHOOL'S PICTURE DAY IS

I am so excited to be working with your school to provide families like yours with timeless portraits of your beautiful children.

Picture Day with Jill C. Smith Photography looks a little different and that's a good thing! No flashing lights, no demands on your child to look at the camera and perform, no cheesy backgrounds and no little black plastic comb!

Once your photos are ready, you will receive an email with a link to the gallery and an access code. Simply follow the instructions to view, share and purchase your child's photos here.

My goal is to provide your family with classic, natural photos of your child who showcase the unique individual they are. If you have any questions, please don't hesitate to reach out to me at [hello@jillcsmithphotography.com](mailto:hello@jillcsmithphotography.com).
